

Kearsley COVID-19 Extended Learning Plan Reconfirmation Meeting March 8, 2021

How instruction is going to be delivered for the 2020-21 school year

Beginning the week of March 8, 2021 through the remainder of the semester

Students in kindergarten through grade 3

Online: Students (parents) who chose this option will be taught five days a week by a Kearsley certified elementary teacher using district adopted curriculum, multiple software programs including Zoom or Google Meets. All students were issued a district Chromebook or iPad and, as needed, a mobile hotspot.

Hybrid: Students (parents) who chose this option will be taught five days a week. Half of the students' day will be with a Kearsley certified elementary teacher while the second half of the day will be spent with a Learning Partner. Teachers and Learning Partners will deliver the district adopted curriculum and use multiple software programs to support individualized learning.

Students in grade 4 and 5

Online: Students (parents) who chose this option will receive instruction five days a week from a Kearsley certified teacher(s) using the Google classroom platform. Instruction may be in the form of posted assignments, pre-recorded video lectures and live Zoom or Google Meet sessions. All students were issued a district Chromebook and, as needed, a mobile hotspot.

Hybrid: Students (parents) who chose this option will receive face to face instruction two full days a week and learn remotely three days a week. The Blue group will have face to face instruction on Mondays and Thursdays, and learn remotely on Tuesdays and Fridays. Remote learning days will still have live instruction from their classroom teacher through Google Meets or Zoom. Wednesday will be a synchronous day for all students. Similarly the Gold group will have face to face instruction on Tuesdays and Fridays, and learn remotely on Mondays and Thursdays with Wednesdays being a synchronous day for all students. All students were issued a district Chromebook and, as needed, a mobile hotspot.

Students in grades 6 through 12

Online: Students (parents) who chose this option will receive instruction five days a week from a Kearsley certified teacher(s) using the Google classroom platform. Instruction may be in the form of posted assignments, pre-recorded video lectures and live Zoom or Google Meet sessions. All students were issued a district Chromebook and, as needed, a mobile hotspot.

Hybrid: Students (parents) who chose this option will receive face to face instruction **four** full days a week and learn remotely **one** day a week. Wednesday will be a synchronous (remote) day for all students. All students were issued a district Chromebook and, as needed, a mobile hotspot.

Categorical Classrooms: Students in categorical classrooms will attend face to face full days on Mondays, Tuesdays, Thursdays and Fridays. Wednesday will be a synchronous day for all students.
